Customer Reviews

A wonderful learning resource, its great for the student and those just interested in American history, this book cover one of the greatest influences on farming and the American diet, George Washington Carver. What would the world be with the peanuts that go into peanut butter, and here we see the struggles of the man and a fine study aid to ensuring retention of information.

After reading this book, I realize that it is a good book for them who is weak in English. I purchased

for my brother, but I also read it. Now he is improving in English grammar and other. I don't know how much you will get improved, but it is true, you will get an excellent English guide from reading this Meet Amazing Americans Workbook. I suggest to all that please read this book at once. Thanks

I never read any book such as this one. It's an amazing book to learn English. If we practice regularly, we must improve our skills. Please don't try to do in one day. I happy to read this kind awesome book. I need more books because I want to learn the proper English.
