Customer Reviews

I was not crazy about this book. Some content was 'warmed over' and I say that respectfully. I just did not find it interesting for me. Dr Murdock is a very inspirational minister and I like his messages. I think I was expecting something different and more inspirational. I just read "words" and was not inspired. I keep all books I purchase and will later pick up a book and sometimes am able to see/read/experience just what I need at the time. I hope that happens at a later time.
