## Customer Reviews

"The John Phillips Commentary Series presents the accumulation of a lifetime achievement from this gifted man of God. His association with Dr. Stephen F. Olford and Dr. Jerry Vines substantiates his high view of Holy Scripture. His affiliation with the Moody Bible Institute further illustrates his attestation of Biblical inerrancy. His application of the Bible text demonstrates his strategic grasp of God's Word. His alliteration will endear him to preachers and teachers everywhere. I wholeheartedly recommend it!" --Dr. Franklin L. Kirksey, Pastor, Teacher, Mentor, Writer, Author of Sound Biblical Preaching: Giving the Bible a Voice

The commentaries on Psalms (two volumes) are not cheap, but are a great investment. They are well-made books that should last for years, and John Phillips is an excellent writer, thorough, but easy to understand. They would make thoughtful gifts, also.

Phillips makes some great points and helps understand the Psalms even better. I would recommend this book for the Bible student.

John Phillips does a great job on explaining the Psalms!
