Customer Reviews

My little boy is obsessed with David and Goliath and he loves this book. Story is presented in a simple rhyme that holds my 3 y/o attention. The illustrations are lovely. I appreciate the simple format for teaching and learning Bible stories. This book is definitely in heavy rotation at our house.

These "old" stories from Arch books are just as good as when we had 'em as kids. My grandkids are enjoying them. One cannot read yet, and guess what she brings out when we're together. So I get to read it again for her. Her older sister reads her own stories.

These books are our favorite! The kids love picking out what Bible Story we are going to read! It's nice to take one of two along instead of having a big book with a lot of different stories in it!
