Make Every Day Count - Teen Edition

Synopsis

Teens really do want to make a difference, but sometimes their attitudes get in the way! Today's teens are faced with some big issues, and their attitudes can sometimes create even more struggles for their own lives and those around them. But best-selling author Max Lucado wants to teach teens that life is a gift and that gratitude is critical. With a little perspective, teens will see that God can help them overcome their ungrateful days, their stressed-out days, and even their catastrophic days. Life is not going to be perfect. When teens understand that and realize that God is their constant source of support, help, and blessings, even the difficult days can be faced with a cheerful spirit. *Make Every Day Count* shows readers how to deal with each day—no matter what it throws at them. Real-life teen stories, biblical accounts, and inspiring "Daylifters" encourage teens to make each day count for God. A study guide at the back of the book makes this a perfect choice for individual or group study.

Customer Reviews

Inspiration with humor, truth and realizations! Great read, great work and fabulous! Enjoying every minute! Sharing with all my girlfriends!

I bought this book for the purpose of using it in my Sr. High Girls Sunday School class. It is the most wonderful material I have used so far. I am getting the girls talking and thinking and the material is helping them focus on God and HIS plans for them. I can see their lives changing right before my

eyes. I have always enjoyed Max Lucado's books, but this one has been an awesome book for my girls. Wish i could give it more than 5 stars!!!

" Make Every Day Count "..... Max Lucado nails it again with his inspiration. I am 49 years young and find the book very useful.I purchased it for my 13 year old Granddaughter.I am enjoying it ! The " Day Lifter " is my favorite. I would love to do a group study using this book. The young need every bit of inspiration in this crazy world.....

I bought this for my teen but I instead read it, it crosses all genres

Written in unstandable manner. Good for adults as well as teens.

Great book for Teens. Daile life Lessons they can apply

Great daily reminders. Not as thorough as I expected.
