Trusting God Study Guide: Even When Life Hurts

Synopsis

When everything weâ™re going throughâ•pain, loss, tragedy, griefâ•suggests that God canâ™t help us or doesnâ™t care, it seems unwise to place our confidence in Him. But nothing could be farther from the truth. This study guide to *Trusting God* (ISBN 9781600063053) by Navigator author Jerry Bridges features discussion questions that study what the Bible has to say about Godâ™s sovereignty, His mercy, and His love. Appropriate for individual or small-group discussion.

Customer Reviews

Anyone who has read the best-selling *The Pursuit of Holiness* will recognize the very familiar, plain-English style and sense of Jerry Bridges. In the 20th Anniversary paperback edition of *Trusting God*, Dr. Bridges takes the very deep and extremely important doctrine of God's sovereignty and lays it out clearly, simply, and not only well within the grasp of the newest convert to Christ, but also presents it logically and thoughtfully so that the most mature theologian can appreciate this work and glean many great things from it. In his Preface to the treatise, he writes, "The purpose of this book is twofold: First, I desire to glorify God by acknowledging His sovereignty and His goodness. Second, I desire to encourage God's people by demonstrating from Scripture that God is in control of their lives, that He does indeed love them, and that He works out all the circumstances of their lives for their ultimate good" (pg. 9). In this, Jerry Bridges accomplishes his goals most triumphantly. *Trusting God* is categorized as Christian Living or Spiritual Growth for the very good reason that its approach to the circumstances daily faced by the individual believer is both practical

and personal. Yet, the truths that Dr. Bridges presents concerning the attributes of God, especially in His sovereign goodness, would make this book equally at home on the shelf in the Theology section.
