Berserk, Vol. 5

Synopsis

He is Guts, the Black Swordsman, a warrior of legendary prowess â ” relentless, fearless, merciless. As cold and brutal as the iron of the massive sword he wields. Bent on revenge against the unholy forces that have branded him for sacrifice, but especially on Griffith, one of the demon lords of the Godhand. But Griffith was once a man, the leader of the Hawks, a renowned cadre of elite fighters with a young Guts as its fiercest champion. Though forged in a crucible of cruelty and violence, nothing could prepare Guts for a confrontation with Nosferatu Zodd, a superhuman beast who slaughters Gutsâ™ comrades as easily as a scythe cuts wheat. Even Guts and Griffith are no match for the abominationâ™s power...but something Griffith wears around his neck may well be!

Book Information

Paperback: 240 pages

Publisher: Dark Horse Manga (October 26, 2004)

Customer Reviews

With each volume of this manga we witness how the story grows, the characters gain depth, and the link between the human world and that of the gods / demons become clearer. The main focus of this installment is to show the importance of Griffith; the way he is perceived by the rest of the Hawks, his influence on Guts' life and his thirst for power, are essential pieces of the puzzle. My main question at this point regarding Griffith is if he was already a demon when he met Guts and was acting according to his plan or if he changed later in time. There are also many enlightening developments relating to Guts personality and relationship with others. He is starting to feel a sense of belonging and to care about others. He still has trouble dealing with affection and admiration. For example, he does not know how to react to a young kid that idolizes him. On the other hand, there are some of the Hawks that despise him and want to see him dead. Casca is a case apart; she is

clearly conflicted by the fact that Guts is extraordinary, but she hates him due to his impact on Griffith and for achieving what she cannot. At this point there is not much more I can say about the graphics, they are simply outstanding. I imagine how hard it is for Miura to improve on the fights volume after volume. This time around, he introduces the Immortal Nosferatu Zodd, a legendary warrior that poses an extremely tough challenge for Guts. Especially since Zodd is a demon, and even though we have seen Guts face demons before, you have to remember that in terms of the storyline, this is the first time Guts has to confront one. The violence and gore of this manga continue to be proficiently complemented by a compelling story.
