The Passion Of Jesus And Its Hidden Meaning

Synopsis

The Passion of Jesus and Its Hidden Meaning shows how every person in the world, whether he realizes it or not, is personally involved in the sufferings and death of Jesus Christ. It was because of our sins, and the seriousness of these sins, that Our Lord underwent so cruel a torture. Using only classic Catholic Commentaries on the Scriptures, Fr. Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus. From the Agony in the Garden through Our Lord's death and burial, every page of this book is replete with valuable lessons and superabundance of material for meditation and reflection. Drawing from both the Old and New Testaments, Fr Groenings is able to illustrate the meaning of every event and episode, showing how to apply these lessons to our lives today. Far from being merely an act of unspeakable brutality, the Passion and death of Jesus Christ are shown to be the greatest proof of God's love and mercy to each of us.

Customer Reviews

This magnificent work has got to be the greatest book on the suffering and death of Christ available anywhere today! It clearly and vividly gives us the reasons, meaning, causes, motives, circumstances and effects for the greatest drama ever recorded in human history. Father Groenings has shunned all private revelation as a source for this powerful book. He has instead relied on the best authority available on Holy Scripture - the invaluable writings of the Fathers of the Church. Learn why Christ chose to be crowned with thorns or to be scourged at a pillar. What role did

Barabbas play in God's plan? What grace caused Pilate's wife to become a Catholic? What is the meaning of Christ falling while carrying the cross? Why did Our Lord choose crucifixion over other modes of death? What sins did Peter commit with his denial? What is the meaning of natures' reaction during the Passion, such as earthquakes or the eclipse of the sun in the middle of the day? Hundreds of unforgettable insights! 461pp. PB. Imprimatur.

I used this as a book for Lenten reflections, prayer and meditations. What I received was a very profound journey through Christ's Passion. The amount of suffering Jesus endured for us, was beyond human. There were times when the knowledge of what Christ was doing and why, had to be so intense that only His true essence of God and Man could have allowed Him to go on. I recommend this book for anyone who wants to understand the reasons for Our Lord's deep sacrifice for us.

I read this book every year during lent. It was written in the late 1890's and translated and published in America in the early 1900's. So a couple of social concepts are obsolete (or maybe not) and the English is dated, but the teachings and insights are classic and Catholic. However, it is not an easy read, and I feel one needs to read it thoughtfully and slowly to really let it sink in. I have found it to be very powerful and enlightening, and best of all it has helped me develop a better understanding of our Lord's suffering and passion. An excellent spiritual read.

Though I didn't get this from originally (my copy is so worn that huge chunks of it are coming out so I need a good copy), I treasured reading it during Lent this year. I would give it 10 stars if I could. It is the most comprehensive study of Our Lord's suffering and death. Anyone wishing to grow closer to Our Lord will greatly benefit from reading this spiritual gem and prayerfully pondering its contents. It is meant to be devoured in bits and pieces because of its sheer weightiness; not a quick read, but infinitely valuable and worthy of the time taken to comprehend it. Edited December 2: Eek - I don't have a Kindle and didn't realize that this was the edition I was reviewing. Still probably has the same content, though.
