## **Customer Reviews**

Woman of Strength is a compilation of writings related to the virtues presented in Proverbs 31. The preface notes that the Old Testament passage, despite its reference to planting vineyards and making linen garments, is an inspiration to modern women intent on living a Christian life. Who would not agree that diligence, wisdom, strength, generosity, trust in God, joy, respect, and kindness are timeless? And who would not see that the duties in Proverbs 31 are no more demanding than those assigned to twenty-first century women? The book is divided into seven sections: more precious than jewels; called to love; family; work; faith; wisdom from above; and spiritual motherhood. The average section consists of five excerpts of two or three pages. More than a dozen authors, primarily women, are featured. Formats include scripture reflections, personal

stories, and tributes to little-known saints like Zita and Madeline and modern Church heroes like Dorothy Day and Mother Teresa. Each entry opens with a Scripture passage and closes with a short prayer. Woman of Strength is an ideal resource for faith-sharing groups and individuals, especially those whose busy lives are better suited to a quick spiritual boost than start-to-finish reading.
