# HCSB Comprehensive Concordance (Holman Christian Standard Bible)

## **Synopsis**

An essential tool for the pastor as well as for any serious student of the Bible. The HCSB Comprehensive Concordance contains nearly 300,000 concordance entries. Only 263 common words are omitted; all the rest of the words in the HCSB are completely listed. This book will assure that you can find the passage you are looking for, and it will be indispensable for your word studies and devotions. Because it is smaller than an exhaustive concordance, it can be kept handy at your desk or carried with you to church and Bible study.

Though it isn't exactly what I thought it was going to be, it will probably be a handy tool for bible study, anyway. Remembering scripture has become a handicap for me in my advancing years, so this will be helpful.

This met my expectations and then some. It is very thorough and appears to be as complete as any other concordance. I do miss seeing the original words in Greek and Hebrew, like in Strong's but this isn't Strong's. I highly recommend this to everyone!

I have already found this Concordance a very helpful reference in studying a theme in the Scriptures. Thank you for stocking it because I couldn't find a copy here in Britain.

Great price...great tool. It is helpful in conjunction with the Holman Bible dictionary. I have found it very helpful to have.

I love the HCSB translation so much. It has become the translation that I use. I bought this concordance as a perfect companion for bible study.

Great
