Seeking Allah, Finding Jesus Study Guide: A Former Muslim Shares The Evidence That Led Him From Islam To Christianity

Synopsis

Building on the powerful story and arguments he shared in *Seeking Allah, Finding Jesus*, Nabeel Qureshi and co-author Kevin Harney take viewers deeper into apologetics and evangelism among Muslims with this complete study course. In eight lessons coordinated to be used alongside the *Seeking Allah, Finding Jesus Video Study*, Qureshi and Harney explore Muslim culture, the most common Muslim objections to Christianity, and the core doctrines upon which Islam stands or falls. Compassionate and clear, the *Seeking Allah Finding Jesus Study Guide* will be a useful training tool for pastors, outreach leaders, and any believers wanting to winsomely engage Muslims in spiritual conversations. The *Seeking Allah, Finding Jesus Study Guide* develops in further detail the objections to Islam and case for Christianity that Qureshi introduced in *Seeking Allah, Finding Jesus*. When studied with the accompanying *Seeking Allah, Finding Jesus Video Study*, this accessible course is perfect for adult classes, small groups, segments in college or seminary courses, and motivated independent learners alike.

The story and book is more than amazing, but I did not get the dvd and I am disappointed...I did not open immediately because I knew I would not have time to do the study...now it is to late to return or complain.

This book lets us know the struggle a Muslim goes through when confronted with the real Jesus. He

lets us know what it is Muslims believe and how the real Christ is so different from their version of Christ. Nabeel shares different terms and definitions that we may or may not have heard. I loved the book and learned a lot. He also gets into the Koran and the Hadith that is most trusted. Of course, it can't be trusted! If anyone wants to know what the struggle is and to be able to know a defense for the gospel, this book is it!

A great book for studying and helping one to remember the facts found in the book itself. Gave me great room for thought in regard to life and the Christian doctrines in which I have been raised and those in the Islamic faith as well..

Absolutely love it, this has been an amazing apologetics resource.

Very informative book. Well written and a great inspiration.

I'm looking forward to using it with the book.
