## Synopsis

Children will love to learn all about their Chinese zodiac animal with this great multicultural book for kids. Which Chinese zodiac animal are you? A clever rat? A brave tiger? A hardworking ox? Or an energetic dragon? In ancient China, each sign marked a different year in a 12-year calendar. Over time, people believed that a person's character and destiny were somehow decided by his or her zodiac animal. Chinese Zodiac Animals explains the traits of each animal sign and what luck the future might hold for the person born under that sign. Chinese Zodiac Animals is a fun and informative way to learn about an important part of Chinese traditional culture.

## Customer Reviews

This book was as described and arrived promptly. I recommend the seller. It was for my grandson to supplement a gift I had bought him in China based on his Zodiac sign. He is 7 years old and can read it by himself. He was very interested to learn more about his year, the year of the pig. This book earned me some granny points!

This book was perfect to use for a short skit to talk about the Chinese New Year. Animals were easy to redraw larger and allow my girls to color for presentation and hold up. This was for kindergarten thru 6th grade children.

This book is great for the older child--5-10. It goes through the different animals in the Chinese Zodiac and their characteristics. I love the information it gives and how it has the exact days each year begins and ends.

Great kids book that describes the personalities of the different zodiac characters. Very cute. Great gift for Zodiac Baby Shower Basket!

A fun introduction to the Chinese view of a type of horoscope Kids will love seeing which animal they are associated with.
