I've been reading each daily devotional at the start of my day for the past 2 months along with one other devotionals (Jesus Calling) and it really transforms. It's divided into several sections focusing on a certain subject, like friends, and each section contains 8 weeks of daily devotionals pertaining to the subject. Each day has a verse, a mini story or fact, and prayer that tie together very well. Highly recommended for anyone, not just teens.

an easy to read and understand approach to doing devo time for teens. each day is quick to read thru and understand. the perspectives are timeless and can be read over and over with ease. no more excuses for not doing a devo time with God. this is the book you want.

My teens read this book and like it. It is not so long that it takes a long time to read. Because it is easy to read....they read it!
