# Guide's Greatest Narrow Escape Stories (Guide's Greatest Stories Book 7)

## Synopsis

Sometimes things happen that convince you Somebodyâ€™s got your back. You know those close calls that make your heart start racingâ€”or nearly stop. Those nerve-racking experiences that leave you in shock and relief that you made it through. Those are the narrow escapes that make you realize that God is working overtime to keep you safe. Here are the true stories of some astonishing narrow escapes that definitely involved help from Heaven. How else could we explain these stories of survival? Just imagine being held at gunpoint by two drunk men! What about a car stuck on railroad tracksâ€”with a train fast approaching! And just wait until you read about a frightening visit to a fortuneteller, a raging bull running straight toward a girl, and scuba divers trapped under a sheet of ice. Whew! Thereâ€™s nothing like a narrow escape to remind us that God is watching out for us!

## Customer Reviews

I love these stories! We raised our children on Bedtime and Bible Stories, our children and grandchildren grew up in houses where everyone liked to read. I am 53 and I still love reading and being read to. I purchased the whole series of books.

It makes you appreciate life more and makes you realise there is hope and angels watching over us. A good read.
