Ride With Enmity

Synopsis

The war has been over for 13 years, but Texan August Miller, Marshal for Judge Parker and former Confederate cavalryman, never accepted the South's surrender. His enmity for all things Yankee fuels his anger as he chafes at the northern victors lording it over the defeated south and carpetbaggers growing rich on the spoils. Pushed to the brink of his paper-thin Yankee tolerance he strikes back and becomes a wanted outlaw on the run. Envisioning himself a Confederate patriot, August delivers a blow against his hated oppressors; an act which leads him down a road where he is both hero and villain until he realizes that his life is spiraling out of control, that he has lost more than he ever gained, and all that lies at the end of the road is a rope. Note: Formerly titled "The Hanging of August Miller", published by Western Trail Blazer. The revised novel is now published by Double Diamond Books under the title "Ride With Enmity".

Customer Reviews

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

The primary personal problem of the protagonist is resolved in the end, but so obviously could as easily have been resolved in the same manner at the beginning.

A well written tale that held my interest. No graphic sexual content. Weapons used are from the era. Reminds me of the great Louis l'amour.

This. Is. A. Really. Good. Book. Once. Started. You. Will not. Be. Able. To. Put. It. Down. Until. You. Have. Come. To. The. Last. Page

excellent
