## Customer Reviews

I was not sure if this would be too much for my 3rd grader. We love the plot, the characters, great history lesson to go with what we are learning and good ending. Cannot wait to read more from this series.

It is a great read. After visiting the Charlestown Shipyard and Old Ironside with my 5th graders, it was fun to listen to them talk about things in the book that were similar to what they saw on our field trip.

My 6 year old grandson loves it.
