Bought this case as a gift for my mom, she loves it!!! The color is very nice beautiful deep dark red wine looking excellent material and craftsmanship. I wish they made this color with out the purse handles because I would buy one for my Bible.

I do appreciate the warm rich color and texture of this bible cover. I expect the quality workmanship will hold up for a number of years to comes. Perhaps the only thing missing is an outside pocket on either side that would make it easier to slide in notes, etc. rather than opening up the entire case when on the run. Definetly worth the cost.

Love Love, this Bible cover. The ladies at church were wanting to know where I got it.....My favorite feature is, I can close and not worry about zipping....I used the fob and attached it to the zipper to make it much easier to zip up... My other cover had the handle in the binder edge...not good..... Nice and roomy....Couldn't ask for anything more...

This bag was perfect for my "oversized" Bible. It is very well made and worth every penny. It also was large enough for the chapter dividers. If you are looking for a Bible Cover this is it!

It is made from very good material and very well put together. It is durable, has a place to hold pens & highlighters, and my extra large Bible fits perfectly.

Perfect transaction and the item is exactly as described! Fits a rather large size Bible perfectly, no worries! I would not hesitate to recommend this seller, or this product.

It is a nice looking case. Note that it is NOT leather; it is leather-like. This is not a bad thing though because if it gets dirty, it can be easily cleaned with disinfecting wipes and not ruin the material. Fits my bible perfectly. Wish it had an accordion pocket inside to hold a note book or flyers. Great item for the cost and I believe it will hold up to the amount of use it will get.

The cover is excellent and as advertised. The leather is substantial. The color is even and what I was expecting. It is roomy and I have plenty of room for my Bible, even with tabs on it. The straps are handy to carry it. Shipping was not fast but not especially slow either, with the item arriving in about 9 business days.
