Bone: The Complete Cartoon Epic In One Volume

Synopsis

After being run out of Boneville, the three Bone cousins, Fone Bone, Phoney Bone and Smiley Bone are separated and lost in a vast uncharted desert. One by one they find their way into a deep forested valley filled with wonderful and terrifying creatures. It will be the longest - but funniest - year of their lives. Winner of 11 Harvey Awards and 10 Eisner Awards including Best Cartoonist and Best Humor Publication, as well as being named Best Comic Book by the National Cartoonists Society. BONE has also won multiple international awards in Italy, France, Germany, Spain, Finland and Norway.

Customer Reviews

If Lord of the Rings were much funnier and pervaded with humor, it would be very much like Bone. Not that Bone isn't a serious work, because it is in every way - It's probably one of the comic book masterpieces of our time. Only that the story sometimes twists and turns on laugh out loud plot devices. Many of the characters are funny (Phoney Bone, the stupid stupid rat creatures, Smiley Bone, Bartelby, Gran'ma) but also have a downright serious side (Gran'ma has one VERY serious side; don't mess with her and definitely don't mess with her cows). The story itself is even funny in ways, but it amazingly maintains tension with some horror and shock mixed in. It's adventure, comedy, horror, and fantasy wrapped in a shell of great comic artwork. Hidden beneath the adventures, jokes, and great artwork also lies some social commentary. When Phoney Bone

convinces the townsfolk that dragons are an immediate threat to their safety and, since he's a dragonslayer, they should give him absolute control over the town, this hits almost a little too close to home. Phoney represents greed on steroids. Other innocents get pulled into his plans for money and power (he doesn't seem too concerned with glory or the well being of society in general). Nonetheless, the entire story turns on Phoney's schemes, and they play a vital role in the plot. Other highlights include: the Great Cow Races; Fone Bone's infatuation with Thorn; Ted the Bug (what an amazing character); the two stupid rat creature's travails with Kingdok (one of them loves quiche); the slow uncovering of Gran'ma and Thorn's true identities; Smiley Bone's pet rat creature; Fone Bone's run ins with The Great Red Dragon; the Giant Bees ("Gimmee dat Cigar!"); Phoney Bone's first very creepy run in with The Hooded One. There's plenty more.
