Grade Level: Kindergarten - 12

Customer Reviews

While this may appear to be a children's gift, it's one of my favorite gifts to give to my over-30, 40 and 50 friends. We all ask the same questions. The illustrations are excellent. The entire book is so thought provoking and one that will surely become a favorite of the person who receives it

Ms. Gallup's words and art move me. I love this little book very much. If I could have a Roomful of her Art I would be an even happier woman.

Tracy Gallup's artwork is inspired by the poems of Pablo Neruda in his book of poetry with Questions in the title. I love her artistic interpretations of his poetry & her very thought provoking & concise questions!!!! This is a book for ALL AGES!

A must have in every home. Beautiful art & moving questions.
