The Moon Lady (Aladdin Picture Books)

Synopsis

A MAGICAL NIGHT WHEN SECRET WISHES CAN COME TRUE On a rainy afternoon, three sisters wish for the rain to stoop, wish they could play in the puddles, wish for something, anything, to do. So Ying-Ying, their grandmother, tells them a tale from long ago. On the night of the Moon Festival, when Ying-ying was a little girl, she encountered the Moon Lady, who grants the secret wishes of those who ask, and learned from her that the best wishes are those you can make come true yourself. This haunting tale, adapted from Amy Tan's best-seller *The Joy Luck Club* and enhanced by Gretchen Schields's rich, meticulously detailed art, is a book for all to treasure.

Researchers constantly find that reading to children is valuable in a variety of ways, not least of which are instilling a love of reading and improved reading skills. With better parent-child bonding from reading, your child will also be more emotionally secure and able to relate better to others. Intellectual performance will expand as well. Spending time together watching television fails as a substitute. To help other parents apply this advice, as a parent of four I consulted an expert, our youngest child, and asked her to share with me her favorite books that were read to her as a young child. The Moon Lady was one of her picks. Adapted from Amy Tan's best selling book, *The Joy*

Luck Club, The Moon Lady is a perfect book for encouraging children to read with and talk to their grandmother. The book also very subtly encourages children to take more responsibility for their own lives. The story provides a model for parents and grandparents for how to create their own stories to help children learn important lessons. The story begins as three girls, Maggie, Lily and June, are bored because they have to stay in on a rainy day and can think of nothing that they want to do. Their grandmother, Nai-nai, is with them. Nai-nai tells them a story about when she was a young girl in China, and she ran and shouted and could not stand still also. The story is about the day she told the Moon Lady her secret wish. Then unfolds a wonderful story of a young girl's adventure on a special trip to see the Moon Lady. Along the way, she sees many things she has not seen before, falls overboard, is rescued by a fishing family, and finds her family again after meeting the Moon Lady.
