## **Customer Reviews**

The ending! Yes! I loved this one. Also, I'm now a big fan of pre-ordering on . It arrived on my doorstep the day it was released and I'd finished reading later that day. As always, I'm looking forward to what is next.

The folks that watch the show on AMC and don't read the graphic novels, are missing out! This story just keeps getting better.

Good trash to read for about 30 min. Love the show, love the comics even more. And really glad of where it's going, satisfying in many ways.

Loved this issue nice twist a bit of dark humor as Negan shows how he is a bipolar bad ass

I have all the other volumes of this series and if you have been collecting them I highly recommend this volume as well. The stories are intense and keep you coming back for more.

The Pot Hole: The Dope DelusionIncredible illustration and awesome story these just get better and better. Great work.
