Synopsis

The Gospel according to John contains some of the most beautiful images of Jesus in all of the Bible. In John 1-10: I Am the Bread of Life, Jesus' self-descriptions help us understand the many different ways Jesus cares for us and loves us. Bring to life the message of the Gospel according to John with this Bible study. A Guided Discovery of the Bible The Bible invites us to explore God's word and reflect on how we might respond to it. To do this, we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship. It presents the insights of Church fathers and saints. It includes questions for discussion and reflection. It delivers information in a reader-friendly format. It gives suggestions for prayer that help readers respond to God's word. It appeals to beginners as well as to advanced students of the Bible. By reading Scripture, reflecting on its deeper meanings, and incorporating it into our daily life, we can grow not only in our understanding of God's word, but also in our relationship with God.

Customer Reviews

I am always looking for material that will help a group to reflect together. The author has not only

included questions that prompt discussion, which I think of as head questions, but he also has a good number of what he calls "Questions for Application" which are heart questions. Including the Scripture reading in the book is handy.

The book is divided into 6-week sessions with thoughtful questions for discussion as well as a section after each for personal reflection. The author provides greater insight into the methods of John's writing about the ministerial life of Jesus in comparison to the other evangelists which broadens the scope of the reader's understanding.

Was liked by our group. Thanks for prompt service! Sorry i didn't leave feed back earlier.
