# Power Of Prophetic Prayer: Release Your Destiny

## **Synopsis**

Prayer releases the atmosphere of heaven into the earth. If prayer can alter the course of history and reshape the world, then why don't believers pray more? Perhaps because they don't understand the power of prophetic prayer! Kynan Bridges leads readers in a spiritual discovery of what prayer is and how much power it holds by exploring the relationship between "prophecy" and "prayer." Prophetic prayer is more than a religious exercise; it is actually the supernatural catalyst that enables us to experience the power and presence of God in every area of our lives. If believers only knew the power of prophetic prayer, they wouldn't struggle to bend the knee. This book will answer your questions about prayer, including: What is the power and significance of prayer? Is every believer supposed to pray prophetically? Can I really manifest the miraculous through prayer? What do I do when nothing happens after I pray? The Power of Prophetic Prayer will forever alter your prayer life.

I highly recommend you purchase both of Apostle Kynan T Bridges newest and latest books on prayer: The Power of Prophetic Prayer: Release Your Destiny and 90 Days of Power Prayer: Supernatural Declarations to Transform Your Life. They are: Anointed! Powerful! Transformational! Revolutionary! and Life changing! As are all of Apostle Kynan T Bridges books. But these two on prayer are in a class all by themselves. Just from reading the Introduction to both of these books including Chapter 1 and Day 1 of each book caused tears to instantly form in my eyes because of the level of the weight of the anointing and the supernatural power of God and His manifest

presence that rests upon these books and the depth of profound and prophetic insight, revelation knowledge and wisdom in which Apostle Bridges share. I know is going to catapult my life and prayer life into a much greater, higher and deeper level and deeper intimate relationship with the Godhead. After seeing the movie "War Room" and purchasing the Kendrick Brother's book that goes with the movie "The Battle Plan for Prayer" and Priscilla Shirer book: Fervent also a companion to the movie. I know that these 2 books are going to be the icing on the cake that take my prayer life to where it needs to be because of the prophetic and apostolic weight, depth and mantle and anointing upon his life, ministry and the books that he writes. Anytime you pick up one of his books to read. You don't want to put it down because they are relevant, timely, on point, powerful and extremely anointed. I truly recommend that you check out and invest in purchasing his other books as well.

The Power of Prophetic Prayer by Kynan Bridges reminds us that the only way for us to connect with God is through prayer and prayer is a very powerful way. Prayer opens our spiritual being to the endless possibilities of God, and we have endless access to God. Through prayer we release the ambassadorial authority Christ gives us. Through prayer we bring about changes in peoples lives. We don't have to wait until we get to have an intimate relationship with God, we can have it right now. Kynan Bridges gives a lot of information regarding prayer, how to go to prayer, the importance of faith in prayer. He guides us in keeping the fire burning by pointing out that we need to be intentional about our prayer life, we need to meditate on the Word of God and we need to ask God to create in us a hunger for the things of God. The author points out Jesus gives us specific instructions on how to pray, "enter into thy closet" (Matthew 6:6). The closet does not mean a room, it means a place of intimacy and disclosure. We are to acknowledge God as our Father, recognize that God is in heaven, glorify His name as holy, declare His kingdom will come on earth and in heaven. We are to ask for our daily needs, for forgiveness of sins, and forgive others. We are to pray for help in temptation and recognize God as the kingdom, power and glory. (Luke 11:2-4 and Matthew 6:9-13). Bridges tells us to not just "pray in Jesus name". We are to pray according to the character and nature of Jesus. We are to pray according to the Word of God. We are to rely completely on Jesus. We must approach God, knowing He alone is able. We are to thank God in advance and have faith and confidence that He has heard us rather than pray "if it is your will".
