Bond Of Dreams, Bond Of Love, Vol. 4

Synopsis

Ryomei has been steadily refusing Ao's advances, but when Ao says this could be the last time they see each other for a while he decides it's time to make a move. Unfortunately, unforeseen circumstances halt their night of passion, and things get even more complicated when Ao perceives Ryomei's sudden interest as pity. What will it take to convince Ao that this time it's the real deal? This story of not-so-unrequited love reaches its climax in the final volume of Bond of Dreams, Bond of Love! Reads R to L (Japanese Style) for mature audiences.

I love this story and I first saw this online and wanted to buy this. The art is so good, and the faces that AO and Ryoumei make are priceless at times. AO at time has no notion of thinking first before opening mouth, and that is part of his charm. And he has Ryoumei unsettled at tune by what he says and does. But the story is great and you should enjoy the antics between them.

well sorry to see the series end it was great. it let you see from all differnt points of view also the age diffreences did not matter. along with bring charters from other storie in which was great must read series.

Yaya Sakuragi is definitely one of the best mangaka who's currently being published. She writes complete stories with real character development (something that is sadly missing from a lot of

yaoi). This series is no exception. Well written, the characters are likable (haha...I totally wrote "lickable" by accident), and the plot is good. I highly recommend it!

I finished all 4 books in one go. So much fun. Great development in their romance and lovely plot. Love this couple. Ao is such a cutie pie and Ryomei is such an adorable brooding seme, lol. These two provide so many delightful and entertaining moments together. Their facial expressions are priceless, their interactions whether it is 10 years ago or now just divine. The supporting characters are great especially both guys' best friends each one having a say in the guys' relationship. This Yaoi series has earned its place in the front placing of my shelves to be reread and reread... Love it.

This story is great I love Yaya Sakuragi books and this story is great.
