Liturgia Con Estilo Y Gracia (Spanish Edition)

Synopsis

This beautifully written, classic book teaches about those things that belong to all Catholics: the Mass, the sacraments, the seasons of the Church's year. Brief, two-page articles are grouped into units on central topics. The units can be read from beginning to end or you can seek here and there on a particular topic. Discussion questions and helpful quotations from a variety of sources involve the individual reader, the classroom, or a study group in a lively dialogue. Whether you want to teach others about liturgy or need to know more yourself, this is the book you need. A great text for high school religion classes. **AWARDS:**Catholic Press Association 2002 Book Award winner, first place, in Spanish-language titles Published by Liturgy Training Publications.
