The Worship Pastor: A Call To Ministry For Worship Leaders And Teams

Synopsis

Modern worship leaders are restless. They have inherited a model of leadership that equates leading worship with being a rock star. But leading worship is more than a performance, it's about shaping souls and making disciples. Every worship leader is really a pastor. *The Worship Pastor* is a practical and biblical introduction to this essential pastoral role. Filled with engaging, illustrative stories it is organized to address questions of theory and practice, striving to balance conversational accessibility with informed instruction. It is meant to be read by pastors, worship leaders, worship teams, and anyone else interested in deepening their understanding and experience of worship. *The Worship Pastor* presents a series of evocative "vignettes"--intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does.
