One Light Still Shines: My Life Beyond The Shadow Of The Amish Schoolhouse Shooting

Synopsis

“My story is not about my past, but about your future,” says Marie Roberts Monville. In the startling tragedy of the Amish schoolhouse shooting at Nickel Mines, one story has never been told; Marie Roberts Monville, the wife of the man who created such horror, tells her story for the very first time. It is a story of sorrow and destruction, but also one of majestic deliverance, unending compassion, breathtaking forgiveness, and grace-filled redemption. Within a solitary moment, Marie Monville realized that life, as she knew it, was over. What she never anticipated was a tangible encounter with God reaching into her circumstances, through them rewriting all she believed about herself, her faith, and the God she thought she knew. *One Light Still Shines* reveals three love stories: the innocent love of a devoted wife for a husband in pain, the incomprehensible love of God in the aftermath of massacre and destruction, and the redemptive love of Christ, waiting to unfold in the life of every person who reads this book. Marie’s journey since that darkest of days has been invaded with light which shines through these pages into the darkest questions we all face--questions about our past, our value, our identity, and own powerlessness in this fallen world. Come face to face with the Power behind every answer—a love that begs to be received.

Remember the Amish schoolhouse shooting? I do, and figured it was probably a couple of years ago. I was pretty shocked to realize that it happened in 2006 -- 7 years ago now. *One Light Still Shines: My Life Beyond the Shadow of the Amish Schoolhouse Shooting* tells the tale, not of what

happened during the shooting, but of what happened afterwards to the wife of the shooter. She (Marie) was a 28-year-old mom of 3 young kids. She'd been raised in the church and was a classic "good girl," so when she learned that while she was at a prayer meeting, her seemingly good guy, Christian husband had shot up a nearby Amish schoolhouse, killing 5 little girls and injuring others, and killing himself as well, she couldn't believe it. In the days and weeks following the shooting, she and her children were showered with goodwill from all the people you'd expect, and many you might not: the day of the shooting, several Amish men (including some whose children had been killed) came to the house where she were staying and offered their full forgiveness to her, as well as offers to help her in any way they could. Marie makes some observations about the whole incomprehensible situation: God believed in me enough that he allowed me to be Charlie's wife, even though he knew that these circumstances would arise and threaten to destroy everything I held dear. He allowed me to walk the road that led here anyway. Another time she sensed God telling her, You know only limits. I am limitless. God richly blessed Marie, giving her an almost unbelievably caring and optimistic family (her mom, who was with her throughout, commented shortly after the shooting, "I can't wait until God does something grand in this situation." Wow -- that is pretty much not what I would be thinking!
