# The Gambler's Amish Baby: Amish Romance (Amish Baby Collection Book 1)

## Synopsis

What would be worse than being a widow, expecting a baby and trying to run her farm alone? Libby Wagler was soon to find out. Libby wished for nothing more than her brother's return from rumspringa. Brock Harding won half a farm in a poker game. What will he do when he visits the farm to be faced with an angry Amish woman? Libby wants nothing more than for the man who cheated her brother to get off her farm. However, with the farm failing, could a bad mannered, rough looking cowboy be Libby's answer to prayer? ## Customer Reviews

I've read many Amish romances before but this one was pleasantly different than the usual basic plot of the Amish romance books that I have read. I read this book straight through from the very beginning to the very end. It kept my interest. I loved Brock and Libby. I loved their story with its twist and turns that made their story that much more interesting. It's a book I recommend.

Libby is a young widow soon to have a baby. Her brother Angus is supposed to help her with the farm the parents deeded to both of them. Instead, he gambles and drinks as these are his running around years. One morning Libby wakes up to Brock, an Englisher at her front door.

What would be worse than being a widow, expecting a baby and trying to run her farm alone? Libby Wagler was soon to find out. Libby wished for nothing more than her brother's return from rumspringa. Brock Harding won half a farm in a poker game. What will he do when he visits the farm to be faced with an angry Amish woman? Libby wants nothing more than for the man who cheated her brother to get off her farm. However, with the farm failing, could a bad mannered, rough looking cowboy be Libby's answer to prayer? The unusual plot got my attention right away and of course the really cute picture on the cover did too. The story ended up being different than I even expected because of the hidden things in Brock's past. There were plenty of twists and turns about who he really was, and what he had been through. Libby had her fair share of men who just weren't there for her no matter what they had promised. She's overworked, discouraged, pregnant and doing everything she can to save the farm for her baby's sake. She is totally convinced that Brock has cheated her brother so that he could get her brother's share of the farm. She fights against him, not even allowing him into her house because at least that is hers. And it's something she doesn't have to share with an outsider, and worst of all a gambler. Brock shows Libby unexpected kindness at times and that confuses her even more. He does his share of work but mysteriously disappears anytime someone from the Amish community shows up. What is with that? You have to read the book to find out, of course.

Samantha Price will keep the reader captivated with her outstanding story of romance and suspense. Ms. Price writes a good Christian romance that will captivate the hearts of the young or older mature reader! I have read many books pertaining to the Amish culture and I will say Ms. Price does an awesome job holding one's attention throughout her entire novel.

This is an interesting story. Definitely not like any I have come across before. Loved it!! I was not sure about it by the title, but Samantha Price has a way of making turns and twists within the story to keep you interested. A great love story, with some good chuckles thrown in. I definitely recommend reading it.

This book is beautifully written, the story brings two men back into the Amish world, one is the brother of Libby, the other is a gambler who won half the farm, read the book and enjoy how the story plays out.

In this book Libby is a widow who finds out her brother gambled away his half of their farm. She decides she is not going to like the gambler who cheated her brother. There are many interesting twists and turns to the plot which lead to a happy ending.

Enjoyed the story of Brock and Libby. Brock had left the Amish faith when he was young but God had a plan for him. Libby's brother Angus lost part of the farm to Brock in a card game but maybe that was God's way to get Brock to come back to his faith.
