Henry And Glenn Forever And Ever (Henry & Glenn)

Synopsis

It's the moment the world has been waiting for: the return of everyone's favorite musclebound punk/metal romantic odd couple, Henry and Glenn. Over the course of three short stories, our metal dude heroes love, fight, hang out at the spa with Lars and James, squabble about property values with friendly satanist neighbors Hall and Oates, and work out their differences in therapy. It's hardcore. It's hilarious. It's a true testament to the power of love to overcome even the biggest, manliest egos of our time. Now with a new cover option from Jim Rugg!

Customer Reviews

I have to admit that I enjoyed this release even more than the original. One of the best parts of this book is the back cover that features Danzig's reaction to the comic. During a talk, Tom Neely said this was based on a true story, which makes this series even more hilarious. I later met Rollins for a book signing and appeared ecstatic (and even assured me that Danzig is really a nice guy). I would recommend this book to any fan - I mean, I even recommended it to Rollins.

The book portrays the loving and cute -but sometimes complicated- relationship between Glenn Danzig and Henry Rollins. This is a must have for all the gay metalheads and fangirls, oh and also the average guy who likes Misfits/Danzig/Blackflag and wants to have a good laugh.

The collection of Igloo Tornado's Henry and Glenn are a literary master piece !!!!!!! These pages should be placed into a time capsule for all mankind to see how the future could be saved from evil and destruction. Plus future aliens would get a good laugh while eating human brains and drinking our spinal fluids !!!!!!! Buy these now you Cheeto eating, death metal listening, Cheap beer drinking fat bastards !!!!! I am a private citizen of this great USA and do not work for Igloo Tornado in any shape or form. Suck It

The comics were funny, relevant and adorable. Nice job Igloo Tornado. Hope to see plenty of more comics in the future.
