# Reader's Digest Bible For Children: Timeless Stories From The Old And New Testament

## Synopsis

This breathtakingly beautiful book will be read by children for years to come. The stories are simply and gently told but retain all the poetry and power of the Bible. They have been carefully chosen for the images they evoke, the symbols they represent, and the mystery they contain. The illustrations, by world-famous artist Ulises Wensel, capture scenes from the Bible with wonder, humor, and affection. This is the most strikingly visual and readable children's Bible ever produced. Includes glossary of names, places, and difficult Bible terms. Stories from the Old Testament: \* Adam and Eve in the Garden of Eden \* The Story of Noah \* The Story of Moses \* Young David and Goliath the Giant \* Great King Solomon Stories from the New Testament: \* A Cradle in a Manger \* Jesus in the Temple \* The First Disciples \* Five Loaves and Two Fishes \* The Last Supper Dimensions (inches): 8 1/2 x 11

## Customer Reviews

This is a beautiful book with large, historically accurate (almost) illustrations that engage children in the Biblical stories. Although it's not a complete Biblical overview, it does a great job. Because of the large illustrations, it's very good to use in classrooms discussions for elementary children.

I've been looking for the "perfect" children's Bible Book and am so glad I was lead to this book. My girls ages 4 & 5 love these stories and the pictures.

very pretty and well illustrated but it could have contained more stories and something prophetic, but in children's terms, regarding Revelations.

I bought this used and couldn't really tell. It came promptly and looked great. Was well worth the saving to buy used.
