Celebrating Sacraments (Third Edition): (Student Text)

Synopsis

The sacraments are privileged moments of God's grace in the Christian community. Celebrating Sacraments is designed to help tenth graders cultivate awareness of the sacraments in order to grow in their love of life and their faith in God. This third edition of the text includes revisions that give teens a greater understanding of the seven sacraments as extensions of Christ's ministry to the world. The one-semester course also helps students participate in the sacraments with an appreciation of the rituals. This full-color third edition features over 70 student photos and artworks. Prayers and stories draw students in, and review questions and reflection activities in the text margins help students apply the material to their lives.

Customer Reviews

Only a few scribbles on the cover but that's what I expected and so this was a great deal. I got it for a penny. \$4 after shipping and tax.

Very Good! I like it.
