Customer Reviews

This manga is so cute. Ayumi is someone most girls can relate to, we've all been hurt and afraid to move on. Nao is honest and that is so refreshing, something everyone needs. I'm really looking forward to reading more!!

Even though the first volume seemed rushed into detail, this volume is a lot better! It has a bit of tension with Aso's ex and Tanoko. It just keeps building with all these other guys hitting (flirting) with Aso. I'll be reading this series till the end!

Short, but cute!NEXT!So glad that vol. 3 is out!!! The girls who really want to belong to someone will enjoy this. Its adorable that hes so protective, but i must admit, its a good thing that this isn't real, or i would think hes just a tiny bit creepy. But since this is fiction, and he`s kind, its AWESOME!

Even though there's only two volumes, which I read in one sitting, this is one of the best mangas I have read to date! I just can't get over how funny and sweet the author makes the characters out to be!

Having vol. 1 as a little weird in order seems to be it's old rookie mistake. This was better than vol. 1. I really like mantas wherein they say what they're thinking. Existentialism has always been something I liked from older man gas I have read before. Also talking and thinking out loud was refreshing.

After reading the first volume of You're Mine, I was in love with the characters!Ayumi is a lovable, innocent, and ditzzy, who has a lot of drama in her life.Nao is your silent lone wolf kind-of-guy who's role is actually fleshed out so much more now!The rest of the cast is so good too!! hope they dish out more books soon!

This book is so adorable. I wonder what would happen on the next manga of this series right away. Starting now!

This was a heart pounding book along with the serious. I choose to give this book a 5 star rating because it was one of the best books I've ever read. I would recommend this book for people who want a romance book that Isn't too romantic but is still romantic in its own way that makes you wan to read it again and again.
